

Family Room Updates

We have been very busy recently learning about the World Cup! We have been playing football outside, looking at different patterns on the football kits, learning about England and Brazil and learning about the different flags as well as making some flags for our room. We have also watched clips of the England games, it's a shame we aren't still in the competition.

We are now currently learning about tennis and Wimbledon and about the Tour De France. If you could talk to your Child about these sports and let them watch them on TV that would help them extend their learning. We have been helping them improve their tennis skills by taking the Children next door to Garforth Squash Club. Also as a celebration of the Tour De France we are inviting you to bring in your Child's bike to Nursery and we will help them to ride the bikes in our car park which will be under strict supervision.

In phonics we have learnt the letter sounds: th, qu, ou, oi. We will shortly be recapping sounds and starting the sounds again once the older children go to reception, so the newer Dragonflies (Children aged 3-5) can learn the sounds.

Important Notice

Week commencing 7th July we will be holding parent/key worker meetings for our Dragonfly Children (Ages 3-4 years)

Week commencing 14th July we will be holding the meetings for our Bumble Bees (2 year olds)

Baby Suite Updates

World Africa Day

We all dressed up to celebrate World Africa Day and enjoyed dancing to different cultured music in our music and movement sessions. We also used different textured materials and made lots of noise with the musical instruments.

World Cup Fever

The Children have been getting into the football world cup season by decorating trophies, football shirts and flags to put on our World Cup display board. We also dressed up wearing football tops and some even had their faces painted with the England flag! We have had footballs in the garden and have practised kicking and throwing the ball to help with our hand and eye coordination. We have also enjoyed paddling in our paddling pool as the sunshine has been so lovely.

Coming Up

We will be enjoying the Wimbledon season and learning how to play tennis. Also the Tour De France is another big sporting event for us to learn about and enjoy.

We are very pleased to announce the launch of our new website www.sweetpeasnursery.co.uk

Please take a look today and don't forget we are on Facebook too so make sure you like our page for Nursery updates!

Leavers Party

We sadly have to say Goodbye to some of our Children next month as they are leaving us to go to school. We have however got a Leavers Party to enjoy before they leave us.

This will take place on Wednesday 16th July 2014 at 3pm.

If your Child doesn't normally attend Nursery on this day then they must be accompanied by a parent. Also all Children who attend on this day will enjoy the party too. We will enjoy lots of fun games, bubbles, dancing and of course party food.

May we take this opportunity to wish you all the very best for the future and we are very honoured to have had your presence at our Nursery.
