

Our Core Purpose

Sweet Peas aims to enable families to go to work with peace of mind, knowing their children are receiving exceptional care, education and life experiences.

Overarching principles

We use four guiding principles from the Early Years Foundation Stage to shape our setting practice.

These are:

- Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured.
- Children learn to be strong and independent through positive relationships.
- Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between Practitioners and parents/carers.
- Children develop and learn in different ways and at different rates. The framework covers the education and care of all children in early year's provision, including children with special educational needs and disabilities.
